Principles

Melbourne Archdiocese Catholic Schools Ltd (MACS) recognises that excursions, camps and travel can provide important learning and growth for the full flourishing of young people.

As a governing authority, MACS is required to ensure schools uphold a duty of care to students in all school environments.

MACS is committed to providing a safe environment for all students with zero tolerance for child abuse in all settings.

Policy

In the planning, implementation and undertaking of excursions, camps and travel, MACS staff must:

- ensure offsite activities have educational, cultural and/or personal development purpose and value
- use a systematic and transparent approach for planning and implementing all activities
- provide an inclusive experience that is free from discrimination and meets all Victorian Child Safe Standards and requirements of [Ministerial Order 1359: Implementing the Child Safe Standards – Managing the Risk of Child Abuse in Schools and School Boarding Premises](#)

- ensure proper duty of care and compliance responsibilities are upheld
- utilise rigorous risk management procedures that:
 - are systematic, structured and timely
 - account for human and cultural factors
 - promote a positive risk-aware culture, and
 - utilise post trip review processes for future planning and events.

The principal, or their delegate, is required to complete a rigorous risk assessment and mitigation process in accordance with the Risk Management Policy, matrix and college’s risk register and to ensure all risk management procedures are followed.

Purposeful planning is required in each step in the preparation of such activities to identify and mitigate risks posed to students.

Following the completion of the risk assessment process and relevant record of the activity, all excursions, camps and travel will follow a consistent approval and registration process:

1. The principal, or principal's delegate, approves excursions and camps, including interstate trips.
2. A regional general manager will approve international travel, in accordance with procedures.

Additional staff may include non-teaching school staff or volunteers who are approved by the school principal. All non-teaching staff and volunteers must be screened in line with the Working with Children Check Policy and Recruitment policy. Only VIT registered teachers may make decisions about the health, safety and wellbeing of students.

All Child Safe Standards are to be addressed and embedded into the processes and procedures of all excursions, camps and travel in accordance with MO 1359.

Details of the excursions, camps and travel, including expectations and code of conduct, are to be communicated to staff, students and families.

Informed consent for all known activities and events must be sought and recorded using a transparent and approved system. Records are to be stored in accordance with the Public Records Office of Victoria recordkeeping requirements.
